

St. Anne's-Belfield School

Grades 5 – 8 Supply Lists 2026-27

This year, we are excited to offer EduKit kits as a fundraiser for the Parents' Association! Buy the Edukit items below with one easy click! Orders are due by July 2 and the kits will be delivered to your home in August. Purchasing a kit is optional; you may also choose to buy each item separately.

Please note all supplies listed here are required for each student (all-student supplies, Edukit supplies, and additional supplies). Participating in Edukits is optional. If you choose to participate, please ensure that you have purchased all supplies not provided by Edukits.

All Students in Grades 5 – 8 – Not provided through Edukits

- ☐ **A reusable water bottle** (labeled with student's name)
- ☐ **Backpack:** We recommend that backpacks include a padded space for a laptop. Please note that backpacks will be stored in lockers during the day. Avoid extremely large bags or bags with wheels.
- ☐ **Wired Headphones (3.5 mm headphone plug or USB-C connection):** Wired headphones are required so that charging is not an issue.
- ☐ **Instrument:** All students participating in the Strings program will need a quality string instrument. Rental instruments are available through the School for a fee of \$275 per year. Please complete the [rental form and payment](#) before the start of school. The School's rental fee is significantly less expensive than other local options and provides a higher quality instrument. Rental instruments are maintained by the School. For families receiving financial assistance in the 2026-27 school year who may need help with this fee, please contact financialaid@stab.org and a member of our team will be back in touch with you regarding your request.
 - Instruments from home may be used with the approval of the Strings teacher, Anna Hennessy (ahennessy@stab.org). If students use an instrument from home, they should bring it to school on the first day, August 19.
